

“I had the pleasure and privilege of working closely with Lisa for nearly two decades, who served as the Marketing Manager at our organization. Lisa is an exceptional professional—articulate, expressive, and a critical thinker. Her greatest strength lies in her writing, where she consistently delivers high-quality content quickly and effectively. She has a deep understanding of branding and excels at managing social media. Lisa is also highly organized, leading teams with clarity and efficiency while following directives from her superiors. Her experience in managing larger projects, such as product catalogs, ad schedules, publishing deadlines, and trade show materials, is impressive. Lisa works seamlessly with co-workers, vendors, and publishers, making her an asset to any team. I would gladly work with Lisa again in any capacity.”

–Chester Wang, President of Dolphin Imaging & Management Solutions
